Additional Camping Information:

<https://data.glifwc.org/regulations/camping.php>

GLIFWC member tribes exercising their treaty rights may camp for free on most campgrounds in the Chequamegon-Nicolet, Ottawa, Hiawatha, and Huron-Manistee National Forests.

There is currently no camping agreement for Michigan State properties, Wisconsin State properties, Minnesota State properties or County properties, so your Tribal camping permit issued through the NAGFA system is valid ONLY for the above 4 National Forest

campgrounds. It is your responsibility to know the ownership of the campground where you plan to stay.

In order to camp you must first obtain a National Forest Camping Permit through the NAGFA system. These can be obtained through your tribal registration station. If you already have a NAGFA account and have received a permit in the past, you can login online with your name and NAGFA ID# (located on a previous license) and issue yourself a camping permit, detailed instructions can be found here:
<https://data.glifwc.org/archive.bio/Instructions.For.Issuing.Online.Camping.Permits.2019-06-07.pdf>

Once you have your permit, you will have a "stamp number" that is what you will use for the fee envelope at the campground. Sample:
