TRIBE LIFTS COVID RESTRICTIONS

The Lac Vieux Desert Band of Lake Superior Chippewa Indians Lifts All Remaining COVID Restrictions. Given the overwhelming success of the Tribe's COVID-19 management efforts, with the exception of the LVD Health Center and LVD Gathering Place, the Tribal Council is happy to announce the lifting of any remaining COVID-19 restrictions. This includes any requirement to wear masks indoors or limits on social gatherings within Tribal Departments and Tribal businesses.

We have reached this pinnacle point and next step to normalcy through the collective efforts of Tribal leadership, Tribal members, Tribal employees, and the community as a whole. The Tribal Council still advises caution for vulnerable populations due to the recent appearance of COVID-19 variants; however, we feel confident in taking this step based on the information available to us at this time. It has been a long 16 months, the Tribal Council looks forward to the continued good health and success for all as we emerge from this post COVID-19 environment.
